**TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:**

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Continuation of 4(e) Other: Applicant has rejoined unelected species with that which has not yet been indicated as allowable. Since 112 2nd rejections and 112 1st paragraph rejections stood on these claims, a determination of the art, on a now definite claim will proceed. Also, applicant should note that their previously present species encompassing claims are not compliant with the written description requirement as they are all still drawn to a genus. Applicant should remove the unelected species and therefore the unelected claims until the claims originally elected have been deemed allowable. Applicant is reminded that; Upon the allowance of a generic claim, applicant will be entitled to consideration of claims to additional species which are written in dependent form or otherwise include all the limitations of an allowed generic claim as provided by 37 CFR 1.141. If claims are added after the election, applicant must indicate which are readable upon the elected species. MPEP § 809.02(a)..
